

# The Work and Health Programme

Andrew Thomas

# Outline

- Objectives for the Work and Health Programme
- Work and Health Programme design
- Progress to date
- Next steps

# Context

- “Improving Lives, The Work, Health and Disability” Green paper (October 2016)
- The Government’s aim is that everyone has the opportunity to make a contribution to the economy to help reduce welfare dependency and enhance their own quality of life.
- Contribute to halving the disability in employment gap, offering everyone in ESA WRAG or UC LCW who are eligible a place on WHP.
- Harness the expertise of private, public and voluntary sector providers to deliver sustained employment outcomes.
- Learn lessons from previous programmes and deliver value for money.

# What do we expect from providers?

- Energy, enthusiasm, passion and a commitment to transform the lives of programme participants and work with the Department to achieve this;
- A tailored, comprehensive and integrated service that draws together local support and the providers excellent capability and capacity
- High performance that transforms the lives of programme participants.
- Engage a wide range of expertise including local integration and Small and Medium sized enterprises
- Deliver significant added value

# Programme design

# The fundamentals

## Who?
